

LIQUOR CASE JURY  
FAILS ON VERDICT

Three Jurors Hold Out For Acquittal  
of Bert Wilson, Accused of Ille-  
gal Sale

DEFENDANT TO BE RETRIED

Earl H. Payne Withdraws Plea of  
Not Guilty and Files Motion to  
Quash All Counts

The jury in the liquor case against  
Bert Wilson failed to agree on a ver-  
dict Friday, and was discharged last  
night at ten o'clock, after having  
been in session for eight hours.

It is understood that three of the  
members of the jury were not con-  
vinced by the evidence that the  
alleged sale of liquor was made.

Gates Ketchum, prosecuting attor-  
ney, stated today that the case would  
be tried again in the near future.

Earl H. Payne, who is defendant  
in two criminal cases, one charging  
him in a single indictment of false  
pretense, and the other a joint in-  
dictment with his brother, Ralph  
Payne, has withdrawn his plea of not  
guilty, and has filed a motion to  
quash all counts of the indictments  
against him.

Arguments on the motions to quash  
will be heard in a few days.

Among the new cases docketed in  
the circuit court, is a complaint for  
divorce, filed by Edna J. Miller  
against Roscoe Virgil Miller, which  
follows closely upon the alienation  
of affections case that was compro-  
mised Friday in Newcastle.

In the divorce suit, the plaintiff  
charges her husband with abandon-  
ment. They were married October 10,  
1918 and separated November 28,  
1919, on which date he is alleged to  
have left her without any cause.

In her divorce suit she also asks  
the custody of a minor child. Fol-  
lowing their alleged separation, Mrs.  
Miller brought suit for \$10,000 judg-  
ment against Burton Miller, father  
of her husband, who she alleges  
caused their separation by alienat-  
ing his affections from her. This  
suit was tried here and the jury  
gave her \$4,500 judgment, and a  
motion for a new trial was granted.

A change of venue was taken to  
Newcastle, where the suit was start-  
ed this week, and compromised yester-  
day for \$2,250. The plaintiff, Mrs.  
Miller, is now living with her father,  
Joseph Hardin of near Arlington,  
according to the action.

Athletic Contests Receive Bronze  
Medals

SHOW TICKETS FOR SECOND

First and second prizes in the  
Boys Week Athletic events, which  
were held last week in connection  
with the observance of Rush county  
Boys Week, were awarded to the  
winners in the various school build-  
ings Friday afternoon by Albert Col-  
ton, director of physical education in  
the Rushville public schools, and  
general chairman of the Boys Week  
committee; Will P. Jay, president of  
the Kiwanis club, and Roy E. Har-  
old president of the Rotary club.

The two business men's clubs  
sponsored the Boys Week observance  
opening Sunday evening, May 4, with  
a meeting for boys at the First Pres-  
byterian church, which was ad-  
dressed by Roscoe Gilmore Stott of  
Franklin. Eliminations were held in  
the athletic events at each school  
and the winners took part in the  
field day, which was held one week  
ago Friday following a parade.

Nineteen medals with figures on  
them, representing the athletic event  
in which the winner competed, were  
awarded to nineteen boys who won  
first. All of the winners of second  
place were given five free admissions  
to the Princess Theatre, as the con-  
tribution of Walter F. Easley, pro-  
prietor of the theatre, to the success  
of the week. Each boy was informed  
that he could go to Abernombie's  
Jewelry store and have his name and  
the event inscribed on the medals.

DINNER WILL BE ON MAY 28

terans of the county, which has been

city, will be held Wednesday even-  
ing, May 28, instead of the 27th, as  
announced in Friday's paper, and  
will be served in the Social Club  
rooms at seven o'clock.

The dinner will be served in con-  
nection with a meeting of the Amer-  
ican Legion and all ex-soldiers of  
the county to be held that night,  
and the War Mothers are inviting  
all mothers of the ex-service men  
to attend and help to make this event  
a success.

It was also decided at the meet-  
ing last night to observe Memorial  
Sunday at the First Baptist church

R. W. Sage, who is a world war vet-  
eran and a member of the Legion.

CALLS RUSHVILLE  
CITY OF BOOSTERS

Fred R. Davies, Christian Church  
District Evangelist, Says it Has  
Something to Boost About

PRAISE FROM C. W. CAUBLE

State Secretary Writes That Conven-  
tion Just Closed Was Best One  
Ever Held in State

"Rushville is a city of boosters,  
but they surely have something to  
boost about."

"Please thank everyone who had a  
part in the best convention I have  
ever seen in Indiana."

These are two sentiments regard-  
ing the state convention of Christian  
Churches, which closed here Thurs-  
day evening, that came back today  
in the mail and were typical of the  
sentiment that was general among  
Rush county's guests during the  
convention.

The letters came to the Rev. L. E.  
Brown, pastor of the host church,  
who worked hard to bring the con-  
vention to Rushville and worked still  
more in assisting in the preparations  
for the meeting.

They were from Fred R. Davies of  
Charlestown, state evangelist for the  
southeastern Indiana district, and C.  
W. Cauble, corresponding secretary of  
the Indiana Christian Missionary as-  
sociation.

Mr. Davies' letter follows:  
Charlestown, Ind.  
May 16, '24

Rev. L. E. Brown,  
Rushville, Indiana.

Dear Bro. Brown:

We had a great time in  
your good city; thank you and the  
great church there for it.

Rushville is a city of  
boosters, but they surely have some-  
thing to boost about.

Wishing you all joy and  
success,

THE CRAZY QUILT

KOKOMO MEN ARE  
HELD AS SUSPECTS

Ward Mercy of Auburn and William  
Irrick of Kokomo Said to Resem-  
ble Dr. McGrail's Slayers

TIP FROM A GARAGE MAN

Chicago Youths Arrested in Indiana-  
polis in Dentist's Murder Inquiry  
Are Released

Kokomo, Ind., May 17—Two men  
were held here today for grilling by  
Indianapolis detectives as suspects  
in the murder of Dr. Joseph McGrail,  
Indianapolis dentist who was shot  
and fatally wounded during a holdup  
Wednesday.

The two men, Ward Mercy, 23, of  
Auburn and William Irrick, 21, of  
Kokomo, were arrested in Lafayette  
yesterday on a tip from a garage  
man that they resembled the descrip-  
tion of the slayers of Dr. McGrail.

Suspicion of the garage man was  
aroused by their attempt to dispose  
of two auto tires which he thought  
were probably stolen.

Irrick escaped after being arrested,  
but was recaptured here at the  
home of his sweetheart last night.

Both men resemble the description  
of the bandits given by Dr. McGrail  
before he died, according to police.  
The car they were driving when ar-  
rested in Lafayette also answers the  
description of the car in which the  
slayers of Dr. McGrail sped away  
from the scene of the shooting, it was  
said.

Indianapolis, Ind., May 17—Two  
Chicago youths, Ray O'Neil and Tho-  
mas Hyland, arrested yesterday as  
suspects in the investigation of the  
murder of Dr. Joseph McGrail were  
released last night following receipt  
of word that two suspects were in  
custody at Kokomo.

The Chicago youth said they were  
on their way to the Kentucky Derby  
when placed under arrest.

NOT AFTER SECOND  
PLACE ON TICKET

Senator James E. Watson Not Can-  
didate for Vice-President, as  
Predicted Here This Week

ENDORSED IN ONE DISTRICT

Also News From Washington That  
Successor to Judge Anderson May  
be Named Soon

The prediction made this week that  
Senator James E. Watson of this  
city was not a candidate for the re-  
publican nomination for vice-presi-  
dent, is confirmed in a dispatch from  
Washington today, in which the  
senior senator from Indiana says  
emphatically that he is not in any  
sense of the word a candidate.

The movement to endorse Senator  
Watson for this nomination started  
in his home state by men that are  
regarded as not exactly friendly to  
him, it is believed here.

An endorsement resolution was a-  
dopted in the fourth congressional  
district, where Daily McCov, Ed.  
Jackson's manager in the primary  
campaign was elected as the dis-  
trict chairman.

It is also seen as significant that  
an effort was made by the combined  
Bossert and Goodrich forces to put  
over an endorsement resolution for  
Senator Watson in the sixth dis-  
trict, the attempt fell flat.

Many of the senator's friends be-  
lieve that it is an effort to "put him  
on the shelf" so that James P.  
Goodrich, former governor of In-  
diana, will have a free rein in Indiana  
and can again gain control of the  
Indiana organization.

According to the Washington dis-  
patch, Senator Watson's attention  
was directed to the report that he  
was a prospective candidate for the  
vice-presidency nomination, in an  
article in a Philadelphia newspaper.

The article in question asserted  
that State Chairman Clyde A. Walb,  
was behind a movement to have the  
Republican state convention, meet-  
ing next week at Indianapolis, de-  
clare in favor of Watson as Presi-  
dent Coolidge's running mate. Walb  
was as much surprised as Watson,  
according to the dispatch, for it so  
happens, the subject of vice-presi-  
dency had not even been mentioned  
in any of the conferences here.

"I am not a candidate for vice-  
presidency," said Watson tonight  
with emphasis. "I suppose that party  
managers, including the Presi-  
dent and his advisers, will eventually  
canvass the situation and determine

TWO CAMPS SET  
FOR TURKEY RUN

Each Camping Party will be Limited  
to Thirty Members and no Ad-  
ditions Will be Made

D. R. MERRELL IS IN CHARGE

One Camp is for Younger Boys and  
One for Older Boys Which is Ad-  
vantage Over Old Method

Two boys camps will be conducted  
this summer at Turkey Run state  
park by D. R. Merrell, local Boy  
Scout leader and principal of the  
Havens school, according to an an-  
nouncement today. One of the  
camps will be for younger boys, Au-  
gust 4 to 18, and one for older boys,  
August 18 to September 1.

Mr. Merrell has had six successful  
years of conducting parties to Tur-  
key Run and his knowledge of the  
place and surrounding points of in-  
terest fits him to help the boys en-  
joy and appreciate a trip of this  
kind.

His camp last summer was made  
up almost entirely of Rushville boys  
who had a splendid outing at the  
park.

An announcement concerning the  
camp was made public today and is  
as follows:

"The boys' camp at Turkey Run  
state park offers each year, to a  
limited number of boys, some of the  
finest the central west has at a  
very moderate cost. No matter what  
the boy's attitude be, or what he is  
interested in, he is bound to find an  
inspiration and form some new im-  
pressions. This camp provides some  
very beautiful, interesting and spec-  
tacular points; good wholesome food  
and cooking (two of the best ob-  
tainable cooks have been secured  
for the camps this year); an ex-  
perienced manager and director; a  
generous allotment of time, thor-  
ough sightseeing and numerous side  
trips and excursions.

"This year two camps are being  
formed in Rush county: one for  
the younger boys and one for the  
older boys. This as will readily be  
seen is a distinct advantage over  
the old method of mixing the large  
and small boys into one camp. Lodg-  
ing at these camps will be assigned  
strictly in order of enrollment.  
Therefore one can see the special  
advantage of enrolling early. Each  
camping party will be limited to  
thirty members and no additions will  
be made after the party is filled.  
Already about fifteen boys have en-  
rolled in each camp. As a special

APPOINTED BY GOVERNOR

Judge Sparks Named to Try Divorce  
Suit at Rising Sun, Ind.

Judge Will M. Sparks of the Rush  
circuit court has received an ap-  
pointment from Governor Emmett F.  
Branch, designating him as a special  
judge to sit in the Ohio county court  
at Rising Sun.

The case is a divorce suit of May  
Alice Whitlock against John W.  
Whitlock, reputed to be the wealth-  
iest family in that county, who have  
had domestic trouble. The parties  
were unable to agree on a judge to  
try the case, and Governor Branch  
was asked to make an appointment.  
The case will not be scheduled for  
trial until next month.

GLEE CLUBS MAKE  
FIRST PUBLIC BOW

High School Girls' and Boys' Organi-  
zation Gives Recital and Minstrel  
Show Friday Evening

ONLY APPEARANCE THIS YEAR

Entertainment Part of School-Clos-  
ing Festivities, Under Direction of  
Miss Gretchen Peterman

The Girls' and Boys' Glee Clubs  
of the Graham High school made  
their first and only public appearance  
of this year, Friday evening at the  
Graham Annex auditorium, when  
they gave a recital and minstrel  
show, under the supervision of Miss  
Gretchen R. Peterman, the music in-  
structor of the local schools.

The Girls' Glee club opened the  
program for the evening with a re-  
cital and sang several selections  
which were highly applauded by the  
audience. Their first number was  
"Greeting," by McDougal, fol-  
lowed by "Ashes of Roses" by Wood-  
man. Other numbers were "Ma' Little  
Banjo", by Diehm, "Elves and  
Fairies", by Schumann, and "Open  
the Gates of the Temple", by Knapp.

Two special numbers were on the  
program, a solo by Miss Dorothy Lo-  
gan, entitled "Sylvia", which was  
well received, and a solo, "Robin,  
Robin, Sing Me a Song," by Beulah  
Phillips. In response to the applause  
given her, she responded with an en-  
core. The voices of the Glee Club were  
splendid and showed good training.

The last part of the program was  
the minstrel given by the Boys' Glee  
Club, which created much laughter  
with their make-ups and imitations  
of the colored people. The endman  
consisted of Wilbur Wolters, Donald  
Ruhman, Charles Priest and Wil-  
liam Beher. Charles Priest and Wil-  
bur Wolters were the main actors and  
provided much of the amusement  
with their songs, jokes, and jiggling.

Others who added much to the  
success of the minstrel were Arthur  
Wilson, Robert Haydon, Marland Al-  
exander, Gilbert Joyce, Arthur Snod-  
dy, Raymond Oldham, William

CANDIDATES HAVE TO  
FILE EXPENSE ACCOUNT

Must Make An Accounting Within  
Thirty Days After Primary Elec-  
tion, Clerk States

THERE ARE 2 EXCEPTIONS

Loren Martin, county clerk, today  
called attention to the fact that all  
candidates for offices in the May 6  
primary election, must file their ex-  
pense accounts, and that only a small  
number has complied with the law  
so far.

The only exceptions to the law are  
candidates for precinct commit-  
tees and state delegates, who do not  
have to file an expense account.

The county clerk calls attention to  
the fact that all candidates for other  
offices, must file their account, and  
if they did not spend any money in  
the primary they must so state on  
the blank that is furnished them in  
the county clerk's office.

Mr. Martin stated also that the law  
applies to candidates whether unop-  
posed, as well as those who had op-  
position in the primary. Each candi-  
date is given 30 days from the elec-  
tion in which to file.

OUTCOME DEPENDS  
ON VETO AFFECTS

Results of President's Clash With  
Congress Over Bonus Depends  
On Affects of his Message

HOUSE TO PUT VETO ASIDE

Advocates and Administration Lead-  
ers Concentrate Pressure Upon  
Group of Undecided Senators

By PAUL R. MALLON  
(U. P. Staff Correspondent)

Washington, May 17—The out-  
come of the president's clash with  
congress over the bonus depends upon  
how his veto message affects  
some wavering members of the sen-  
ate.

The house will sweep the veto a-  
side in a vote and the senate will  
take up the question early next  
week.

Bonus advocates and administra-  
tion leaders were concentrating pres-  
sure upon a little group of unde-  
cided senators, whose votes are  
needed to over-ride the veto if it  
is to be over-riden.

The result in the senate probably  
will not be known very far in ad-  
vance of the actual voting.

Estimates as to the final vote in  
both houses are unofficial. Bonus  
advocates in the house believe they  
have a sixty vote margin. Senate  
bonus leaders are wary because of  
the reversal of form on the Bursam  
pension bill which was planned to  
carry nicely.

The views of various senate  
groups follow:

Senator Copeland, New York, De-  
mocrat and cash bonus advocate:

"The president has shown himself  
as being against all human beings.  
I do not approve of the tombstone  
bonus bill which he vetoed. I want  
a cash bonus. But the president  
showed himself opposed to all bonus  
plans. I will vote to pass the mea-  
sure over his veto and I think all  
cash bonus men will."

Senator Brookhart, acting pro-  
gressive leader:

"The progressives will vote to pass  
the bill over the veto. Success of  
the bill depends upon what attitude  
the administration senators take.  
If they stick by the votes the bill  
will pass."

Senator Curtis, Republican whip  
and author of the bill:

"We will take it up as soon as it  
passes the house. Whether we can  
pass it over a veto is another ques-  
tion upon which I would not at this  
time hazard a guess."

The strong language of the presi-  
dent's disapproval awakened no  
noticeable response in the house, a-  
mong members who voted originally  
for the soldiers bonus.

SENIOR CLASS DAY  
EVENT CALLED OFF

Not Held Friday Afternoon Due to  
Orders of School Authorities to  
Enforce Discipline

SIDEWALKS WERE PAINTED

High school students were greatly  
disappointed Friday afternoon when  
orders were issued by E. B. Butler,  
principal, cancelling the annual class  
day exercises of the senior class.

The unexpected order was for the  
purpose of enforcing discipline in the  
high school, it was stated, following  
the painting of the sidewalks around  
the Graham high school building with  
the Senior class numerals.

The class had arranged an elaborate  
program, including a "funeral"  
for the graduates, and keen disap-  
pointment was felt by some of them  
because they were not permitted to  
go ahead with the program.

Members of the class "celebrated"  
however, by dragging out an old  
horse-drawn hearse, which was "deco-  
rated" with the class numerals and  
pulled about the business part of the  
city, with the seniors marching be-  
hind it.

Members of the senior class, both  
boys and girls, were compelled to  
scrub the class numerals off the side-  
walk, with the threat that they  
would be compelled to remain in  
school next week and take examina-  
tions in all of their subjects.

## AMUSEMENTS

## Last Showing Today

The familiar "make hay while the sun shines," has been rewritten by Director Tom Forman to read, "Make pictures while the rain pours." The new motto was adopted during the filming of "April Showers," his latest production of B. P. Schulberg, now showing at the Castle theatre. For as its name implies, it required showers of lots of them.

Having completed his big exterior street "sets," Mr. Forman bailed them for the expected showers that are almost daily occurrences during California's rainy season, and awaited developments. Cameras ground indoors while the clouds gathered over the Tom Forman version of New York's East Side, constructed on the Schulberg grounds in Los Angeles.

## "Girl Shy," At Princess

In his latest feature Pathe comedy, "Girl Shy," which will be seen at the Princess theatre Monday, Tuesday and Wednesday demonstrates his remarkable versatility before the camera. Lloyd's role in this new fun-film is said to be so entirely different from any he has ever attempted to portray, that he debated a long time before tackling the part.

As is usual with the Lloyd Pathe comedies, there is only a small cast in "Girl Shy." Jobyna Ralston is again seen as Harold's leading woman. Richard Daniels, Carlton Griffin, Priscilla King and Dorothy Dorr are also prominent in the support.

## "The Lone Wagon," Mystic

Miss Vivian Rich, one of the co-stars with Matty Mattison appearing in "The Lone Wagon," a Sanford production which is at the Mystic theatre today enjoys the honor of being one of the few leading ladies of the screen who actually can do all of the stunts required of them in pictures.

In "The Lone Wagon" she plays the part of a daughter of an old Confederate Colonel, who takes his family westward.

## GRADING GANGS ARE WORKING ON BULLTOWN HILL ON STATE ROAD 39

Indianapolis, Ind., May 17—Motor traffic to Louisville for the Derby races today has the choice of two routes from Indianapolis in the state highway commission's traffic bulletin issued today. Reference is given to State Road No. 1 the entire distance excepting in the case of heavy rains, when the route changes at Seymour in order to avoid two detours around construction on No. 1 between Seymour and New Albany.

The bulletin points out that a detour around a bridge at St. Omer on No. 6 is now raised, that repair gangs are working on No. 12 between Valley Mills and Maywood but the road is open though traffic should drive carefully, and that the traction company has blocked one side of the street (No. 3 National Road) for two squares in Centerville. One way traffic at this point is advised to proceed slowly. A new detour has been established on No. 37 between Yorktown and Dalesville account of bridge repair, and grading gangs are working on the Bulltown Hill on No. 39 between Rushville and Brookville.

## Keeping Young Folks Home

How to keep the young folks at  
home in the evening is a problem that  
has confronted many parents, be-  
cause of the counter attractions that  
take them away.

Some parents think they have  
solved it by installing a radio. There  
are few young people, especially boys  
who are not attracted by a radio re-  
ceiving set.

It brings to their cars, concerts,  
news, results of athletic events, lec-  
tures and sermons. They can travel  
from coast to coast in one evening,  
picking up the strains of a famous  
piece of classical music one minute  
and casting it aside in a few minutes  
for one of their favorite jazz num-  
bers by an orchestra in a city perhaps one  
thousand miles away.

The boy who last year was stand-  
ing on the curbstone smoking, or  
wasting his hours away in a pool  
room, may now be spending his time  
at home, roaming over the universe  
with his mind, tuning in here and  
there, constantly striving to find  
something new that the air is will-  
ing to give up.

It is a new and thrilling pleasure  
for a boy and has a peculiar fascina-  
tion that attracts father and mother  
too, but the wise parents will sit  
back and allow the youngsters to ma-  
nipulate the dial, realizing full well  
what it means to have them at home.

The radio provides a peculiarly  
useful interest for boys, stimulating  
their ingenuity and encouraging them  
to do things themselves instead of  
watching someone else do them. The  
boy who acquires skill in handling  
the instruments is the one who has  
patiently figured it all out, and he is  
the boy who will apply himself with  
the same care to the big job out in  
the world when he gets to it.

as a rule to be critical of women's

## A GOOD LAXATIVE

Black-Draught Recommended by  
an Illinois Lady, Who Says It  
Helps Her.—"Fine for  
the Liver."

St. Elmo, Ill.—"I have used Black-  
Draught for three years," says Mrs.  
J. W. Boyd, a well-known member of  
this community. "I was visiting a  
friend who had used it for some time.  
I was in need of a laxative and I had  
a burning in my stomach. I was con-  
stipated. She gave me a dose of  
Black-Draught and it helped me, so I  
used it from then on. It certainly  
benefited me. I think it is fine for the  
liver, too. I am glad to recommend it."  
"One day our pastor was visiting  
us, and he said his system seemed  
clogged and asked me to give him  
something to take. I gave him Black-  
Draught. He was much pleased with  
the results and bought a package,  
himself."

Constipation forces the system to  
absorb poisons that should be thrown  
out, causing pain, discomfort and tend-  
ing to undermine your health. Black-  
Draught helps to relieve this condition  
by acting on the bowels, and by  
regulating the liver when it is torpid,  
thus helping to drive out many poi-  
sons in an easy, natural way.

Don't take chances! At the first in-  
dication of constipation, take Black-  
Draught. Costs only a cent a dose.  
Your local druggist, or dealer, sells  
Black-Draught. NC-153

## Hunt's Washington Letter

BY HARRY B. HUNT

NEA Service Staff Writer.

WASHINGTON, D. C.—"Let  
your conscience be your  
guide."

That, in substance, is the advice  
of Senator George W. Norris, of  
Nebraska, to his constituents, as to  
whether in the coming elections they  
shall follow the traditions of the  
state and vote the Republican  
ticket straight.

Norris himself is standing for re-  
election to the Senate. He is not  
running. He permitted his name to  
remain on the ticket after it had  
been put up by friends, although  
he had announced his determina-  
tion to retire to private life.

Twenty-two years in Congress, 10  
in the House and 12 in the Senate,  
he left him with no illusions as to  
the facility of trying to reconcile  
politics with patriotism. The two  
may often touch, he found, but  
they don't mix. The demands of  
party regularity and the dictates of  
conviction and conscience seldom  
coincided. Constantly under the  
lash of his party's leaders, because  
he refused to follow blindly where  
they led, he decided at length that  
the game was not worth the  
candle.

BUT perhaps the people of Ne-  
braska prefer to be represented  
in Congress by Norris' conscience  
rather than by partisan expedi-  
ency. Anyhow, they have kept him  
in the race. And at the November  
election his name will appear as  
the Republican candidate for sen-  
ator.

Does that mean that, in support-  
ing Norris for another term in the  
Senate, they should also support  
the national Republican ticket?

That question troubled friends  
who know Norris is not in sym-  
pathy with the Coolidge candidacy  
or with the stand-pat, conservative  
group now dominant in the G. O. P.  
organization.

In answer to a query covering  
this point Norris replied that his

hope for Nebraska is that its voters  
will "abolish party responsibility  
and in its stead establish personal  
responsibility" on the part of its  
public servants.

IN Washington, this pronoun-  
ment is regarded as an invitation  
by Norris for his followers to get  
behind the independent movement  
forming in the middle west, which  
is expected to crystallize behind  
La Follette.

Norris is closer to La Follette  
than any other member of the  
Senate. They are "George" and  
"Bob" to each other. Their affec-  
tion for each other is deep and  
genuine, resting on personal much  
more than on political grounds.  
Despite his candidacy as a Repub-  
lican, for re-election to the Senate,  
Norris will be found pulling for  
La Follette for president should  
the Wisconsin fighter be boosted to  
the leadership of an independent  
ticket.

THE bitterness with which Re-  
publican "regulars" regard the  
Norris situation is indicated by the  
leading article in "The National  
Republican," the organ edited by  
George Lockwood, secretary of the  
Republican National Committee  
and in which John T. Adams,  
G. O. P. chairman, and Secretary  
of War Weeks are stockholders.  
"Norris is, of course, a political  
foe of the president," this article  
states, "a political traitor to the  
party whose label he bore when  
elected to the Senate and when, in  
the recent primaries, he was nomi-  
nated to run for re-election."

BUT the irony of the situation is  
that Norris, disclaiming party  
regularity, declaring for personal  
rather than party responsibility,  
will head the Nebraska delegation  
to the Cleveland convention!

Should Wisconsin bolt the con-  
vention, will Norris and Nebraska  
sit tight, or, following the lead of  
conscience and consistency, will  
they, too, walk out?

## Will Dempsey Fight Foul?

By HENRY L. FARRELL  
(United Press Sports Editor)

New York, May 17.—Selection of a referee with a name and a reputation big enough to assure a strict observance of the rules and a fair break for both fighters will be one of the hardest jumps to take in the completion of arrangements for the Dempsey-Wills heavyweight championship fight.

It will be recalled that the heavy-weight champion, quoting past precedent, assumes that it is his privilege to have 90 percent of the say about the referee and it will be remembered also that the champion is very particular about the man shoved in the ring to order the breaking and to pass judgment upon the blows.

Dempsey has no fear of an adverse decision in the proposed fight, because Tex Rickard has decided upon Jersey City as the scene of the battle and decisions are not permitted in the state of New Jersey. When Dempsey was signed to meet Tom Gibbons in Shelby last summer, he demanded the right to name his own rules and appoint his own referee. He had to go to a decision in Monte Carlo and he wanted to take no chances on a copyboy referee. He also was to fight the cleverest heavy-weight in the game and he wanted no rules that would be of assistance to a clever fighter. He won every point he held out for, simply because Gibbons was most eager to get him into the ring at a sacrifice of all rights of privileges.

Already, although it has not come directly from Dempsey, the warning has been sounded that he New Jersey boxing officials must exercise the utmost zeal and caution in appointing a referee who will not allow Wills to hold and hit. Wills has the name of depending almost entirely upon a

body punch that is scored by getting his long left arm around an opponent's neck and pulling his rival's body into a hard right to the body or an uppercut to the jaw. Wills has been harassed greatly because of the belief that he has to foul to do his most effective fighting.

Perhaps Dempsey will say nothing. He will not be consistent if he does, because he should know that Wills and his manager can say to the New Jersey commission: "You get someone in the ring who will not allow Dempsey to hook a couple of rights to the jaw after the gong sounds and who will not let him hit while his man is down, as he did against Firpo."

Wills can also ask the referee to brush up Dempsey's mind on the exact location of the lines on the anatomy below which it is foul to strike. Tom Gibbons went out of the ring at Shelby with a blue mark as big as a tin can very low on his groin. It was the lowest and the most painful blow of a number that Dempsey landed below the belt.

will see a Thoroughbred Follow  
The Lead

## FOR PURSE OF \$53,000

In 1875 "The Little Red Horse" Aristides Captured the First Derby Race

Churchill Downs, Louisville, Ky., May 17—Hoarse-throated thousands at Kentucky's historic Downs course this afternoon will see a thoroughbred follow the lead of "the little red horse" to gold and glory.

Out of the ruck of a field of starters one of the wonder horses of 1924 will flash to victory in the Golden Jubilee of the Kentucky Derby. The course may be heavy with mud but the winner will travel a track literally sprinkled with gold.

It was in 1875 that "the little red horse", Aristides captured the first derby, which has been contested annually since that date at Churchill Downs. His prize was a few thousand dollars. But the winner of the fiftieth derby today will bring a small fortune to his stable. The stake itself will be worth about \$53,000; the owner of the winning colt or filly will receive a gold cup valued at \$5,000; the winning jockey will be given gold spurs and a split second watch of gold will be presented to the trainer who saddles the winning mount.

It is now certain at least 16 and possibly more will face the barrier for the most cherished turf event of America.

Three choices for the derby, Wise Counsellor, Sarazen and St. James will not start, but the field that will go after the rich prize is worthy of a stake so rich in sentiment.

The probable eastern starters are Thorndale, Revenue Agent, Nautical, Mr. Mutt, Diogenes, Bracondale, Mad Play Transmute Klondyke Wild Astor and Senator Norris. The west will enter Beau Butler, Baffling, Bob Tail, King Gorin II, Chilnowee, Attawood, Black Gold, Polo Grounds Glide, Cloister, Modest and Cannon Shot. Polo Grounds, Glide, Bobtail and Cloister are doubtful starters.

Kentucky turf men believe Black Gold will win the event.

This colt won the Louisiana derby March 17 at New Orleans and ran a mile this week in less than 1:38 at Churchill Downs over a track that was slow. Black Gold is further advanced it is believed than any other derby candidate.

The east likes best the chances of Mad Play and Bracondale, entry of the Rameoan stable.

tion of Christian churches at Rushville were, The Rev. Oren McColgin, Mrs. Ida Brown, Mrs. John Smith, Mrs. Wilbur Harcourt, Mrs. Hubert Lewis, Mrs. Norman Harcourt, Mrs. Bess Smith, Mrs. Ned Tompkins, Mrs. Henry Davis, Mrs. Sarah Crane, Clarence Brown and Mr. and Mrs. W. R. Cady.

The Misses Florine Hood, Yuma Hongland and Mildred Booth were visitors in Rushville Wednesday.

Mr. and Mrs. Charles Powell and family left Wednesday for Kokomo Ind., where they were called by the death of his father.

Mrs. Tom Francis, Mrs. Mary Cowan and Miss Thelma Kincaid were visitors in Greensburg Thursday.

The First Class Scout examination was given Wednesday at 7:30 p. m. by the troop committee consisting of Norman Harcourt, Lyle Power and the Rev. R. R. Cross, with the scoutmaster, the Rev. O. R. Aged Union Township Farmer  
Seriously Ill Following Fall

James Gray, age 90 years, a lifelong resident of Union township, is seriously ill following a fall he suffered Tuesday evening at his home in Manzy. He was leaning against a door, which suddenly came open and caused him to fall. He sustained no broken bones, but his condition, due to the injuries, is serious.

Mr. and Mrs. Gray recently moved to Manzy to retire, from their farm a mile north of Manzy, where Mr. Gray was born and lived until recently. Mrs. Gray is in fairly good health. They are the parents of twelve children, five of whom are dead. Their living children are Mrs. Addie Beaver and Mrs. Minnie Sevens of this county, Mrs. Rebecca Hannah of Chicago, Cary Gray of Aeton, Andy Gray of Indianapolis, and Vincent and William H. Gray.

Why Ball Bearings  
Are Essential

In the operation of a typewriter practically all of the wear and friction comes at three points—the typebar joints, the capital shift and the carriage runways.

In the L. C. Smith & Bros. typewriter the typebar joints are all ball bearing, so that every time the key is struck the ball bearings make easy the type movement. The capital shift moves up and down on ball bearings and ball bearings roll in the runways on which the carriage moves back and forth.

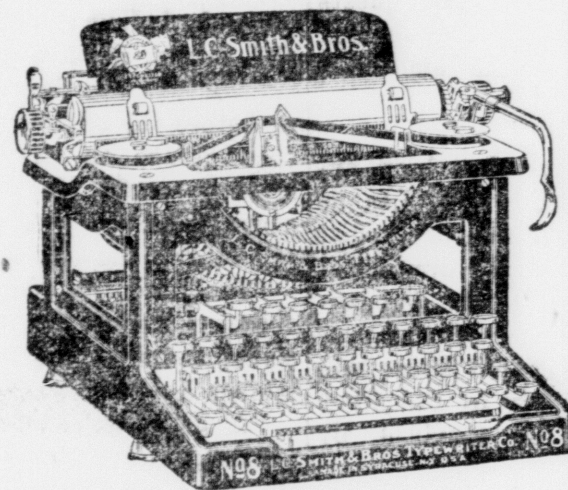

Consequently, whether the operator is striking the keys, shifting for the capitals, or returning the carriage, every operation is ball bearing.

What you would expect from such mechanical perfection is what actually happens—long life and ease of operation.

FRED R. DAVIES  
The letter from the state corresponding secretary was as follows:  
Louisville, Ky.  
May 16, 1924

Dear Mr. Brown:—  
I am here on my way to Mt. Vernon, Ky., for a dedication. Just a word to thank you and your splendid people for your big part in making the convention the great success that it was.

There are usually some dissatisfactions and some complications, especially from people who are hard to please, but I did not have a single complaint from anyone concerning anything. Mrs. Grindle and her committee handled the assignments the most satisfactorily I have ever seen it done. Talking to you did the right thing all the time. Brother Cole and your singers sang so well that we will want to come to Rushville again.

Please thank everyone who had a part in the best convention I have ever seen in Indiana.

Fraternally yours,  
C. W. CAUBLE

upon the man they desire to have second place on the national ticket. Whoever is decided upon will be agreeable to me. I am not personally interested in the matter."

Chairman Wall and Ewing Emission, who was President Coolidge's manager in the Indiana primary campaign, were expected to hold a conference with the President this morning, the Washington dispatch in question said, to discuss the Indiana political situation. The dispatch continues:

Mr. Wall also intends to urge the President to announce at an early date his decision on the question of appointing Judge A. B. Anderson of the Indiana Federal court to the vacancy on the United States Circuit Court of Appeals, sitting at Chicago.

"Judge Anderson is so generally indorsed that his ultimate appointment is considered as certain. Wall would like to have all uncertainty ended by an early announcement of the promotion, even though Judge Anderson continues to hold his present place until the October term of court. However, he has no recommendation to make about a successor to Anderson. He will leave it to Senator Watson to make such a recommendation as he chooses. The senator never has indicated a choice."

The fact that the question of naming a successor to Judge Anderson in federal court, when Judge Anderson is advanced to the federal court of appeals in Chicago, holds interest locally because Judge Sparks of the local circuit court is mentioned very prominently as a successor to Judge Anderson.

Senator Watson is expected to leave Washington for Indianapolis Sunday. He will make the keynote address at the republican state convention.

## LIQUOR CASE JURY FAILS ON VERDICT

Three Jurors Hold Out For Acquittal  
of Bert Wilson, Accused of Ille-  
gal Sale

### DEFENDANT TO BE RETRIED

Earl H. Payne Withdraws Plea of  
Not Guilty and Files Motion to  
Quash All Counts

The jury in the liquor case against  
Bert Wilson failed to agree on a ver-  
dict Friday, and was discharged last  
night at ten o'clock, after having  
been in session for eight hours.

It is understood that three of the  
members of the jury were not con-  
vinced by the evidence that the  
alleged sale of liquor was made.  
Gates Ketchum, prosecuting attor-  
ney, stated today that the case would  
be tried again in the near future.

Earl H. Payne, who is defendant  
in two criminal cases, one charging  
him in a single indictment of false  
pretense, and the other a joint in-  
dictment with his brother, Ralph  
Payne, has withdrawn his plea of not  
guilty, and has filed a motion to  
quash all counts of the indictments  
against him.

Arguments on the motions to quash  
will be heard in a few days.

Among the new cases docketed in  
the circuit court, is a complaint for  
divorce, filed by Edna J. Miller  
against Roscoe Virgil Miller, which  
follows closely upon the alienation  
of affections case that was compro-  
mised Friday in Newcastle.

In the divorce suit, the plaintiff  
charges her husband with abandon-  
ment. They were married October 10,  
1918 and separated November 28,  
1919, on which date he is alleged to  
have left her without any cause.

In her divorce suit she also asks  
the custody of a minor child. Fol-  
lowing their alleged separation, Mrs.  
Miller brought suit for \$10,000 judg-  
ment against Burton Miller, father  
of her husband, who she alleges  
caused their separation by alienat-  
ing his affections from her. This  
suit was tried here and the jury  
gave her \$4,500 judgment, and a  
motion for a new trial was granted.

A change of venue was taken to  
Newcastle, where the suit was start-  
ed this week, and compromised yester-  
day for \$2,250. The plaintiff, Mrs.  
Miller, is now living with her father,  
Joseph Hardin, of near Arlington,  
according to the action.

## PRIZES AWARDED IN BOYS WEEK EVENTS

Nineteen Winners of First Place in  
Athletic Contests Receive Bronze  
Medals

### SHOW TICKETS FOR SECOND

First and second prizes in the  
Boys Week Athletic events, which  
were held last week in connection  
with the observance of Rush County  
Boys Week, were awarded to the  
winners in the various school build-  
ings Friday afternoon by Albert Cat-  
ton, director of physical education in  
the Rushville public schools, and  
general chairman of the Boys Week  
committee: Will P. Jay, president of  
the Kiwanis club, and Roy E. Har-  
rard, president of the Rotary club.

The two business men's clubs  
sponsored the Boys Week observance  
opening Sunday evening, May 4, with  
a meeting for boys at the First Pres-  
byterian church, which was ad-  
dressed by Roscoe Gilmore Stott of  
Franklin. Eliminations were held in  
the athletic events at each school  
and the winners took part in the  
field day, which was held one week  
ago Friday following a parade.

Nineteen medals with figures on  
them, representing the athletic event  
in which the winner competed, were  
awarded to nineteen boys who won  
first. All of the winners of second  
place were given five free admissions  
to the Princess Theatre, as the con-  
tribution of Walter F. Easley, prop-  
rietor of the theatre, to the success  
of the week. Each boy was informed  
that he could go to Abercrombie's  
Jewelry store and have his name and  
the event inscribed on the medals.

## DINNER WILL BE ON MAY 28

Date Changed for Entertainment of  
Ex-Service Men by War Mothers

The dinner for all World War ve-  
terans of the county, which has been  
planned by the War Mothers of this  
city, will be held Wednesday even-  
ing, May 28, instead of the 27th, as  
announced in Friday's paper, and  
will be served in the Social Club  
rooms at seven o'clock.

The dinner will be served in con-  
nection with a meeting of the Amer-  
ican Legion and all ex-soldiers of  
the county to be held that night,  
and the War Mothers are inviting  
all mothers of the ex-service men  
to attend and help to make this event  
a success.

It was also decided at the meet-  
ing last night to observe Memorial  
Sunday at the First Baptist church  
Sunday, May 25. The sermon will  
be delivered by the pastor, the Rev.  
R. W. Sage, who is a world war ve-  
teran and a member of the Legion.

## CALLS RUSHVILLE CITY OF BOOSTERS

Fred R. Davies, Christian Church  
District Evangelist, Says it Has  
Something to Boost About

### PRaise FROM C. W. CAUBLE

State Secretary Writes That Conven-  
tion Just Closed Was Best One  
Ever Held in State

"Rushville is a city of boosters,  
but they surely have something to  
boost about."

"Please thank everyone who had a  
part in the best convention I have  
ever seen in Indiana."

These are two sentiments regard-  
ing the state convention of Christian  
Churches, which closed here Thurs-  
day evening, that came back today  
in the mail and were typical of the  
sentiment that was general among  
Rush county's guests during the  
convention.

The letters came to the Rev. L. E.  
Brown, pastor of the host church,  
who worked hard to bring the con-  
vention to Rushville and worked still  
more in assisting in the preparations  
for the meeting.

They were from Fred R. Davies, of  
Charlestown, state evangelist for the  
southeastern Indiana district, and C.  
W. Cauble, corresponding secretary of  
the Indiana Christian Missionary as-  
sociation.

Mr. Davies' letter follows:  
Charlestown, Ind.,  
May 16, '24.

Rev. L. E. Brown,  
Rushville, Indiana.  
Dear Bro. Brown:

We had a great time in  
your good city; thank you and the  
great church there for it.

Rushville is a city of  
boosters, but they surely have some-  
thing to boost about.

Wishing you all joy and  
success.

## THE CRAZY QUILT

## KOKOMO MEN ARE HELD AS SUSPECTS

Ward Merrey of Auburn and William  
Irriek of Kokomo Said to Resem-  
ble Dr. McGrail's Slayed

### TIP FROM A GARAGE MAN

Chicago Youths Arrested in Indiana-  
polis in Dentist's Murder Inquiry  
Are Released

Kokomo, Ind., May 17—Two men  
were held here today for grilling by  
Indianapolis detectives as suspects  
in the murder of Dr. Joseph McGrail,  
Indianapolis dentist who was shot  
and fatally wounded during a holdup  
Wednesday.

The two men, Ward Merrey, 23, of  
Auburn and William Irriek, 21, of  
Kokomo, were arrested in Lafayette  
yesterday on a tip from a garage  
man that they resembled the descrip-  
tion of the slayers of Dr. McGrail.

Suspicion of the garage man was  
aroused by their attempt to dispose  
of two auto tires which he thought  
were probably stolen.

Irriek escaped after being arrest-  
ed, but was recaptured here at the  
home of his sweetheart last night.

Both men resemble the description  
of the bandits given by Dr. McGrail  
before he died, according to police.  
The car they were driving when ar-  
rested in Lafayette also answers the  
description of the car in which the  
slayers of Dr. McGrail sped away  
from the scene of the shooting, it was  
said.

Indianapolis, Ind., May 17—Two  
Chicago youths, Ray O'Neil and Thomas  
Hyland, arrested yesterday as  
suspects in the investigation of the  
murder of Dr. Joseph McGrail were  
released last night following receipt  
of word that two suspects were in  
custody at Kokomo.

The Chicago youth said they were  
on their way to the Kentucky Derby  
when placed under arrest.

## NOT AFTER SECOND PLACE ON TICKET

Senator James E. Watson Not Can-  
didate for Vice-President, as  
Predicted Here This Week

### ENDORSED IN ONE DISTRICT

Also News From Washington That  
Successor to Judge Anderson May  
be Named Soon

The prediction made this week that  
Senator James E. Watson of this  
city was not a candidate for the re-  
publican nomination for vice-presi-  
dent, is confirmed in a dispatch from  
Washington today, in which the  
senior senator from Indiana says  
emphatically that he is not in any  
sense of the word a candidate.

The movement to endorse Senator  
Watson for this nomination started  
in his home state by men that are  
regarded as not exactly friendly to  
him, it is believed here.

An endorsement resolution was a-  
dopted in the fourth congressional  
district, where Daily McCoy, Ed.  
Jackson's manager in the primary  
campaign was elected as the dis-  
trict chairman.

It is also seen as significant that  
an effort was made by the combined  
Bossert and Goodrich forces to put  
over an endorsement resolution for  
Senator Watson in the sixth dis-  
trict, the attempt fell flat.

Many of the senator's friends be-  
lieve that it is an effort to "put him  
on the shelf" so that James P.  
Goodrich, former governor of In-  
diana, will have a free rein in Indiana  
and can again gain control of the  
Indiana organization.

According to the Washington dis-  
patch, Senator Watson's attention  
was directed to the report that he  
was a prospective candidate for the  
vice-presidency nomination, in an  
article in a Philadelphia newspaper.

The article in question asserted  
that State Chairman Clyde A. Wall,  
was behind a movement to have the  
Republican state convention, meet-  
ing next week at Indianapolis, de-  
clare in favor of Watson as Presi-  
dent Coolidge's running mate. Wall  
was as much surprised as Watson,  
according to the dispatch, for it so  
happens, the subject of vice-presi-  
dency had not even been mentioned  
in any of the conferences here.

"I am not a candidate for vice-  
presidency," said Watson tonight  
with emphasis. "I suppose that party  
managers, including the Presi-  
dent and his advisers, will eventually  
canvass the situation and determine

## TWO CAMPS SET FOR TURKEY RUN

Each Camping Party will be Limited  
to Thirty Members and no Ad-  
ditions Will be Made

### D. R. MERRELL IS IN CHARGE

One Camp is for Younger Boys and  
One for Older Boys Which is Ad-  
vantage Over Old Method

Two boys camps will be conducted  
this summer at Turkey Run state  
park by D. R. Merrell, local Boy  
Scout leader and principal of the  
Havens school, according to an an-  
nouncement today. One of the  
camps will be for younger boys, Au-  
gust 4 to 18, and one for older boys,  
August 18 to September 1.

Mr. Merrell has had six successful  
years of conducting parties to Tur-  
key Run and his knowledge of the  
place and surrounding points of in-  
terest fits him to help the boys en-  
joy and appreciate a trip of this  
kind.

His camp last summer was made  
up almost entirely of Rushville boys  
who had a splendid outing at the  
park.

An announcement concerning the  
camp was made public today and is  
as follows:

"The boys' camp at Turkey Run  
state park offers each year, to a  
limited number of boys, some of the  
finest the central west has at a  
very moderate cost. No matter what  
the boy's attitude be, or what he is  
interested in, he is bound to find an  
inspiration and form some new im-  
pressions. This camp provides some  
very beautiful, interesting and spec-  
tacular points; good wholesome food  
and cooking (two of the best ob-  
tainable cooks have been secured  
for the camps this year); an ex-  
perienced manager and director; a  
generous allotment of time, thor-  
ough sightseeing and numerous side  
trips and excursions.

"This year two camps are being  
formed in Rush county: one for  
the younger boys and one for the  
older boys. This as will readily be  
seen is a distinct advantage over  
the old method of mixing the large  
and small boys into one camp. Lodg-  
ing at these camps will be assigned  
strictly in order of enrollment.  
Therefore one can see the special  
advantage of enrolling early. Each  
camping party will be limited to  
thirty members and no additions will  
be made after the party is filled.  
Already about fifteen boys have en-  
rolled in each camp. As a special

## APPOINTED BY GOVERNOR

Judge Sparks Named to Try Divorce  
Suit at Rising Sun, Ind.

Judge Will M. Sparks of the Rush  
circuit court has received an ap-  
pointment from Governor Emmet F.  
Branch, designating him as a special  
judge to sit in the Ohio county court  
at Rising Sun.

The case is a divorce suit of May  
Alice Whitlock against John W.  
Whitlock, reputed to be the wealth-  
iest family in that county, who have  
had domestic trouble. The parties  
were unable to agree on a judge to  
try the case, and Governor Branch  
was asked to make an appointment.  
The case will not be scheduled for  
trial until next month.

## GLEE CLUBS MAKE FIRST PUBLIC BOW

High School Girls' and Boys' Organi-  
zation Gives Recital and Minstrel  
Show Friday Evening

### ONLY APPEARANCE THIS YEAR

Entertainment Part of School-Clos-  
ing Festivities, Under Direction of  
Miss Gretchen Peterman

The Girls' and Boys' Glee Clubs  
of the Graham High school made  
their first and only public appearance  
of this year, Friday evening at the  
Graham Annex auditorium, when  
they gave a recital and minstrel  
show, under the supervision of Miss  
Gretchen R. Peterman, the music in-  
structor of the local schools.

The Girls' Glee club opened the  
program for the evening with a re-  
cital and sang several selections  
which were highly applauded by the  
audience. Their first number was  
"Greeting," by Melchior, fol-  
lowed by "Ashes of Roses" by Wood-  
man. Other numbers were "Ma' Little  
Banjo," by Dehnant, "Elves and  
Fairies," by Schumann, and "Open  
the Gates of the Temple," by Knapp.

Two special numbers were on the  
program, a solo by Miss Dorothy Lo-  
gan, entitled "Sylvia," which was  
well received, and a solo, "Robin,  
Robin, Sing Me a Song," by Beulah  
Phillips. In response to the applau-  
se given her, she responded with an en-  
core. The voices of the Glee Club were  
splendid and showed good training.

The last part of the program was  
the minstrel given by the Boys' Glee  
Club, which created much laughter  
with their make-ups and imitations  
of the colored people. The audience  
consisted of Wilbur Walters, Donald  
Ruhlman, Charles Priest and Wil-  
liam Behr. Charles Priest and Wil-  
bur Walters were the main actors and  
provided much of the amusement  
with their songs, jokes, and jiggling.

Others who added much to the  
success of the minstrel were Arthur  
Wilson, Robert Haydon, Marland Al-  
exander, Gilbert Joyce, Arthur Snod-  
dy, Raymond Oldham, William

## CANDIDATES HAVE TO FILE EXPENSE ACCOUNT

Must Make An Accounting Within  
Thirty Days After Primary Elec-  
tion, Clerk States

### THERE ARE 2 EXCEPTIONS

Loren Martin, county clerk, today  
called attention to the fact that all  
candidates for offices in the May 6  
primary election, must file their ex-  
pense accounts, and that only a small  
number has complied with the law  
so far.

The only exceptions to the law are  
candidates for precinct committeemen  
and state delegates, who do not  
have to file an expense account.

The county clerk calls attention to  
the fact that all candidates for other  
offices, must file their account, and  
if they did not spend any money in  
the primary they must so state on the  
blank that is furnished them in the  
county clerk's office.

Mr. Martin stated also that the law  
applies to candidates whether unop-  
posed, as well as those who had op-  
position in the primary. Each candi-  
date is given 30 days from the elec-  
tion in which to file.

## OUTCOME DEPENDS ON VETO AFFECTS

Results of President's Clash With  
Congress Over Bonus Depends  
On Affects of his Message

### HOUSE TO PUT VETO ASIDE

Advocates and Administration Lead-  
ers Concentrate Pressure Upon  
Group of Undecided Senators

By PAUL R. MALLON  
(U. P. Staff Correspondent)

Washington, May 17—The out-  
come of the president's clash with  
congress over the bonus depends up-  
on how his veto message affects  
some wavering members of the sen-  
ate.

The house will sweep the veto as-  
ide in a vote and the senate will  
take up the question early next  
week.

Bonus advocates and administra-  
tion leaders were concentrating pres-  
sure upon a little group of unde-  
cided senators whose votes are  
needed to over-ride the veto if it  
is to be over-riden.

The result in the senate probably  
will not be known very far in ad-  
vance of the actual voting.

Estimates as to the final vote in  
both houses are unofficial. Bonus  
advocates in the house believe they  
have a sixty vote margin. Senate  
bonus leaders are wary because of  
the reversal of form on the Bureau  
pension bill which was planned to  
carry nicely.

The views of various senate  
groups follow:

Senator Copeland, New York, De-  
mocrat and cash bonus advocate:

"The president has shown himself  
as being against all human beings.  
I do not approve of the tombstone  
bonus bill which he vetoed. I want  
a cash bonus. But the president  
showed himself opposed to all bonus  
plans. I will vote to pass the mea-  
sure over his veto and I think all  
cash bonus men will."

Senator Brookhart, acting pro-  
gressive leader:

"The progressives will vote to pass  
the bill over the veto. Success of  
the bill depends upon what attitude  
the administration senators take.  
If they stick by the votes the bill  
will pass."

Senator Curtis, Republican whip  
and author of the bill:

"We will take it up as soon as it  
passes the house. Whether we can  
pass it over a veto is another ques-  
tion upon which I would not at this  
time hazard a guess."

The strong language of the presi-  
dent's disapproval awakened no  
noticeable response in the house a-  
mong members who voted originally  
for the soldiers bonus.

## SENIOR CLASS DAY EVENT CALLED OFF

Not Held Friday Afternoon Due to  
Orders of School Authorities to  
Enforce Discipline

### SIDEWALKS WERE PAINTED

High school students were greatly  
disappointed Friday afternoon when  
orders were issued by F. B. Butler,  
principal, cancelling the annual class  
day exercises of the senior class.

The unexpected order was for the  
purpose of enforcing discipline in the  
high school, it was stated, following  
the painting of the sidewalks around  
the Graham high school building with  
the Senior class numerals.

The class had arranged an elaborate  
program, including a "funeral"  
for the graduates, and a "dece-  
pointment" was felt by some of them  
because they were not permitted to  
go ahead with the program.

Members of the class "celebrated"  
however, by dragging out an old  
horse-drawn hearse, which was "de-  
corated" with the class numerals and  
pulled about the business part of the  
city, with the seniors marching be-  
hind it.

Members of the senior class, both  
boys and girls, were compelled to  
scrub the class numerals off the side-  
walk, with the threat that they  
would be compelled to remain in  
school next week and take examina-  
tions in all of their subjects.

## AMUSEMENTS

## Last Showing Today

The familiar "make hay while the sun shines," has been rewritten by Director Tom Forman to read, "Make pictures while the rain pours." The new motto was adopted during the filming of "April Showers," his latest production of B. P. Schulberg, now showing at the Castle theatre. For as its name implies, it required showers of lots of them.

Having completed his big exterior street "sets," Mr. Forman built them for the expected showers that are almost daily occurrences during California's rainy season, and awaited developments. Cameras ground indoors while the clouds gathered over the Tom Forman version of New York's East Side, constructed on the Schulberg grounds in Los Angeles.

## "Girl Shy," At Princess

In his latest feature Pathe comedy, "Girl Shy," which will be seen at the Princess theatre Monday, Tuesday and Wednesday demonstrates his remarkable versatility before the camera. Lloyd's role in this new fun-film is said to be so entirely different from any he has ever attempted to portray, that he debated a long time before tackling the part.

As is usual with the Lloyd Pathe comedies, there is only a small cast in "Girl Shy." Jobyna Ralston is again seen as Harold's leading woman. Richard Daniels, Carlton Griffin, Priscilla King and Dorothy Durr are also prominent in the support.

## "The Lone Wagon," Mystic

Miss Vivian Rich, one of the co-stars with Matty Mattison appearing in "The Lone Wagon," a Sanford production which is at the Mystic theatre today enjoys the honor of being one of the few leading ladies of the screen who actually can do all of the stunts required of them in pictures.

In "The Lone Wagon" she plays the part of a daughter of an old Confederate Colonel, who takes his family westward.

## GRADING GANGS ARE WORKING ON BULLTOWN HILL ON STATE ROAD 39

Indianapolis, Ind., May 17—Motor traffic to Louisville for the Derby races today has the choice of two routes from Indianapolis in the state highway commission's traffic bulletin issued today. Reference is given to State Road No. 1 the entire distance excepting in the case of heavy rains, when the route changes at Seymour in order to avoid two detours around construction on No. 1 between Seymour and New Albany.

The bulletin points out that a detour around a bridge at St. Omer on No. 6 is now raised, that repair gangs are working on No. 12 between Valley Mills and Maywood but the road is open though traffic should drive carefully, and that the traction company has blocked one side of the street (No. 3 National Road) for two squares in Centerville. One way traffic at this point is advised to proceed slowly. A new detour has been established on No. 37 between Yorktown and Dalesville account of bridge repair, and grading gangs are working on the Bulltown Hill on No. 39 between Rushville and Brookville.

State road conditions for the week of May 16-23 are as follows:

No. 1—Closed at 1 mile south of Westfield. There follow marked detour to east and north to intersection of Sheridan—Noblesville road, thence back to No. 1. Detour is fair. North and northwest traffic from Indianapolis leave No. 1 a mile south of Westfield, detour to west and take No. 33 west to No. 15, thence on 15 to 29, and east on No. 1 to avoid construction at the Tipton-Hamilton county line. North bound traffic from Indianapolis take Allisonville road to Noblesville, thence county road to Tipton. At Tipton take No. 19 back to No. 1. No. 1 is closed between Kokomo and Peru for construction. Traffic north from Kokomo take county road just east of Bunker Hill. South of Indianapolis traffic detour via Dudleytown between Seymour and Crothersville account of bridge construction at upper Muscatatuck river. Detour marked around construction south of Scottsburg.

No. 4—Detour around earth road east of Dugger. Under construction east of Bedford with well marked detour.

No. 5—Closed for tar surfacing between Floyd Knobs and Greenville. Thru traffic turn left at Greenville and follow marked detour via Georgetown to State Road 16 joining No. 5 at State and Main streets, New Albany. Lebanon-Indianapolis traffic advised to use 33 and 1. Closed for construction from New Bethel to Shelbyville; detour via Acton. Detour lifted around St. Omer bridge.

No. 7—Closed for about 5 miles west of Peru account paving on No. 1. Detour marked.

## Keeping Young Folks Home

How to keep the young folks at  
home in the evening is a problem that  
has confronted many parents, be-  
cause of the counter attractions that  
take them away.

Some parents think they have  
solved it by installing a radio. There  
are few young people, especially boys  
who are not attracted by a radio re-  
ceiving set.

It brings to their ears concerts,  
news, results of athletic events, lec-  
tures and sermons. They can travel  
from coast to coast in one evening,  
picking up the strains of a famous  
piece of classical music one minute  
and casting it aside in a few minutes  
for one of their favorite jazz numbers  
by an orchestra in a city perhaps one  
thousand miles away.

The boy who last year was stand-  
ing on the curbstone smoking, or  
wasting his hours away in a pool  
room, may now be spending his time  
at home, roaming over the universe  
with his mind, tuning in here and  
there, constantly striving to find  
something new that the air is will-  
ing to give up.

It is a new and thrilling pleasure  
for a boy and has a peculiar fascina-  
tion that attracts father and mother  
too, but the wise parents will sit  
back and allow the youngsters to ma-  
nipulate the dial, realizing full well  
what it means to have them at home.

The radio provides a peculiarly  
useful interest for boys, stimulating  
their ingenuity and encouraging them  
to do things themselves instead of  
watching someone else do them. The  
boy who acquires skill in handling  
the instruments is the one who has  
patiently figured it all out, and he is  
the boy who will apply himself with  
the same care to the big job out in  
the world when he gets to it.

## A GOOD LAXATIVE

Black-Draught Recommended by  
an Illinois Lady, Who Says It  
Helps Her—"Fine for  
the Liver."

St. Elmo, Ill.—"I have used Black-  
Draught for three years," says Mrs.  
J. W. Boyd, a well-known member of  
this community. "I was visiting a  
friend who had used it for some time.  
I was in need of a laxative and I had  
a burning in my stomach. I was con-  
stipated. She gave me a dose of  
Black-Draught and it helped me, so I  
used it from then on. It certainly  
benefited me. I think it is fine for the  
liver, too. I am glad to recommend it."  
"One day our pastor was visiting  
us, and he said his system seemed  
clogged and asked me to give him  
something to take. I gave him Black-  
Draught. He was much pleased with  
the results and bought a package,  
himself."

Constipation forces the system to  
absorb poisons that should be thrown  
out, causing pain, discomfort and tend-  
ing to undermine your health. Black-  
Draught helps to relieve this condition  
by acting on the bowels, and by  
regulating the liver when it is torpid,  
thus helping to drive out many poi-  
sons in an easy, natural way.

Don't take chances! At the first in-  
dication of constipation, take Black-  
Draught. Costs only a cent a dose.

Your local druggist, or dealer, sells  
Black-Draught. NC-153

## Hend's Washington Letter

BY HARRY E. HUNT

NEA Service Staff Writer

WASHINGTON, D. C.—Let  
your conscience be your  
guide.

That, in substance, is the advice  
of Senator George W. Norris, of  
Nebraska, to his constituents, as to  
whether in the coming elections  
they shall follow the traditions of  
the state and vote the Republican  
ticket straight.

Norris himself is standing for re-  
election to the Senate. He is not  
running. He permitted his name to  
remain on the ticket after it had  
been put up by friends, although  
he had announced his determina-  
tion to retire to private life.

Twenty-two years in Congress, 16  
in the House and 12 in the Senate,  
had left him with no illusions as to  
the utility of trying to reconcile  
politics with patriotism. The two  
may often touch, he found, but  
they don't mix. The demands of  
party regularity and the dictates of  
conviction and conscience seldom  
coincided. Constantly under the  
lash of his party's leaders, because  
he refused to follow blindly where  
they led, he decided at length that  
the game was not worth the  
candle.

BUT perhaps the people of Ne-  
braska prefer to be represented in  
Congress by Norris' conscience  
rather than by partisan expedi-  
ency. Anyhow, they have kept him  
in the race. And at the November  
election his name will appear as  
the Republican candidate for sena-  
tor.

Does that mean that, in support-  
ing Norris for another term in the  
Senate, they should also support  
the national Republican ticket?

That question troubled friends  
who know Norris is not in sym-  
pathy with the Coolidge candidacy  
or with the stand-pat, conservative  
group now dominant in the G. O. P.  
organization.

In answer to a query covering  
this point Norris replied that his

hope for Nebraska is that its voters  
will "abolish party responsibility  
and in its stead establish personal  
responsibility" on the part of its  
public servants.

IN Washington, this pronounce-  
ment is regarded as an invitation  
by Norris for his followers to get  
behind the independent movement  
forming in the middle west, which  
is expected to crystallize behind  
La Follette.

Norris is closer to La Follette  
than any other member of the  
Senate. They are "George" and  
"Bob" to each other. Their affec-  
tion for each other is deep and  
genuine, resting on personal much  
more than on political grounds.  
Despite his candidacy as a Repub-  
lican, for re-election to the Senate,  
Norris will be found pulling for  
La Follette for president, whom  
the Wisconsin Schuler be boosted to  
the leadership of an independent  
ticket.

THE bitterness with which Re-  
publican "regulars" regard the  
Norris situation is indicated by the  
leading article in "The National  
Republican," the organ edited by  
George Lockwood, secretary of the  
Republican National Committee  
and in which John T. Adams,  
G. O. P. chairman, and Secretary  
of War Wood are stockholders.

"Norris is, of course, a political  
foe of the president," this article  
states, "a political traitor to the  
party whose label he bore: when  
elected to the Senate and when, in  
the recent primaries, he was nomi-  
nated to run for re-election."

BUT the irony of the situation is  
that Norris, disclaiming party  
regularity, declaring for personal  
responsibility rather than party responsibility,  
will head the Nebraska delegation  
to the Cleveland convention.

Should Wisconsin bolt the con-  
vention, will Norris and Nebraska  
sit tight, or, following the lead of  
conscience and consistency, will  
they, too, walk out?

## Will Dempsey Fight Foul?

By HENRY L. FARRELL  
(United Press Sports Editor)

New York, May 17.—Selection of a referee with a name and a reputation big enough to assure a strict observance of the rules and a fair break for both fighters will be one of the hardest jumps to take in the completion of arrangements for the Dempsey-Wills heavyweight championship fight.

It will be recalled that the heavyweight champion, quoting past precedent, assumes that it is his privilege to have 90 percent of the say about the referee and it will be remembered also that the champion is very particular about the man shoved in the ring to order the breaking and to pass judgment upon the blows.

Dempsey has no fear of an adverse decision in the proposed fight, because Tex Rickard has decided upon Jerry City as the scene of the battle and decisions are not permitted in the state of New Jersey. When Dempsey was signed to meet Tom Gibbons in Shelby last summer, he demanded the right to name his own rules and appoint his own referee. He had to go to a decision in Missouri and he wanted to take no chances on a cowboy referee. He also was to fight the cleverest heavyweight in the game and he wanted no rules that would be of assistance to a clever fighter. He won every point he held out for, simply because Gibbons was most eager to get him into the ring at a sacrifice of all rights of privileges.

Already, although it has not come directly from Dempsey, the warning has been sounded that the New Jersey boxing officials must exercise the utmost zeal and caution in appointing a referee who will not allow Wills to hold and hit. Wills has the name of depending almost entirely upon a

body punch that is scored by getting his long left arm around an opponent's neck and pulling his rival's body into a hard right to the body or an uppercut to the jaw. Wills has been harassed greatly because of the belief that he has to foul to do his most effective fighting.

Perhaps Dempsey will say nothing. He will not be consistent if he does, because he should know that Wills and his manager can say to the New Jersey commission: "You get someone in the ring who will not allow Dempsey to hook a couple of rights to the jaw after the gong sounds and who will not let him hit while his man is down, as he did against Firpo."

Wills can also ask the referee to brush up Dempsey's mind on the exact location of the lines on the anatomy below which it is foul to strike. Tom Gibbons went out of the ring at Shelby with a blue mark as big as a tin cup very low on his groin. It was the lowest and the most painful blow of a number that Dempsey landed below the belt.

16 WILL START  
IN DERBY TODAY

Kentucky's Historic Downs Course will see a Thoroughbred Follow The Lead

FOR PURSE OF \$53,000

In 1875 "The Little Red Horse" Aristides Captured the First Derby Race

Churchill Downs, Louisville, Ky., May 17.—Hoarse-throated thousands at Kentucky's historic Downs course this afternoon will see a thoroughbred follow the lead of "the little red horse" to gold and glory.

Out of the rack of a field of starters one of the wonder horses of 1924 will flash to victory in the Golden Jubilee of the Kentucky Derby. The course may be heavy with mud but the winner will travel a track literally sprinkled with gold.

It was in 1875 that "the little red horse", Aristides captured the first derby, which has been contested annually since that date at Churchill Downs. His prize was a few thousand dollars. But the winner of the fiftieth derby today will bring a small fortune to his stable. The stake itself will be worth about \$53,000; the owner of the winning colt or filly will receive a gold cup valued at \$5,000; the winning jockey will be given gold spurs and a split second watch of gold will be presented to the trainer who saddles the winning mount.

It is now certain at least 16 and possibly more will face the barrier for the most cherished turf event of America.

Three choices for the derby, Wise Counsellor, Sarazen and St. James will not start, but the field that will go after the rich prize is worthy of a stake so rich in sentiment.

The probable eastern starters are Thorndale, Revenue Agent, Nautical, Mr. Mutt, Diogenes, Bracondale, Mid Play Transmute Klondyke Wild Astor and Senator Norris. The west will enter Beau Thoroughbred, Bob Tail, King Corin II, Chalmers, Altwood, Black Gold, Polo Grounds, Glide, Cloister, Modest and Cannon Shot. Polo Grounds, Glide, Bobtail and Cloister are doubtful starters.

Kentucky turf men believe Black Gold will win the event.

This colt won the Louisiana derby March 17 at New Orleans and ran a mile this week in less than 1:38 at Churchill Downs over a track that was slow. Black Gold is further advanced it is believed than any other derby candidate.

The east likes best the chances of Mad Play and Bracondale, entry of the Ramoens stable.

tion of Christian churches at Rushville were: The Rev. Oren McColgin, Mrs. Ida Brown, Mrs. John Smith, Mrs. Wilbur Harcourt, Mrs. Hubert Lewis, Mrs. Norman Harcourt, Mrs. Bess Smith, Mrs. Ned Tompkins, Mrs. Henry Davis, Mrs. Sarah Crane, Clarence Brown and Mr. and Mrs. W. E. Cady.

The Misses Florine Hood, Yvonne Hongland and Mildred Booth were visitors in Rushville Wednesday.

Mr. and Mrs. Charles Powell and family left Wednesday for Kokomo, Ind., where they were called by the death of his father.

Mrs. Tom Francis, Mrs. Mary Cowan and Miss Thelma Kincaid were visitors in Greensburg Thursday.

The First Class Scout examination was given Wednesday at 7:30 p. m. by the troop committee consisting of Norman Harcourt, Lyle Power and the Rev. R. R. Cross, with the scoutmaster, the Rev. O. R. McColgin. The scouts who took the examination were Walter Ross Cady, Jr., Russell Perrigo, P. L., Edward Tompkins, Russel Cross, P. L., Thornton Martin, Robert Cross and Robert Richey. All passed and the First Class Badge were ordered. The rest of the troop will take their first class examination in four weeks from this date. June 10, is the date set for the trip

Aged Union Township Farmer  
Seriously Ill Following Fall

James Gray, age 90 years, a lifelong resident of Union township, is seriously ill following a fall he suffered Tuesday evening at his home in Mauzy. He was leaning against a door, which suddenly came open and caused him to fall. He sustained no broken bones, but his condition, due to the injuries, is serious.

Mr. and Mrs. Gray recently moved to Mauzy to retire, from their farm a mile north of Mauzy, where Mr. Gray was born and lived until recently. Mrs. Gray is in fairly good health. They are the parents of twelve children, five of whom are dead. Their living children are Mrs. Addie Beaver and Mrs. Minnie Sevens of this county, Mrs. Rebecca Hannah of Chicago, Cary Gray of Acton, Andy Gray of Indianapolis, and Vincent and William H. Gray.

Why Ball Bearings  
Are Essential

In the operation of a typewriter practically all of the wear and friction comes at three points—the typebar joints, the capital shift and the carriage runways.

In the L. C. Smith & Bros. typewriter the typebar joints are all ball bearing, so that every time the key is struck the ball bearings make easy the type movement. The capital shift moves up and down on ball bearings and ball bearings roll in the runways on which the carriage moves back and forth.

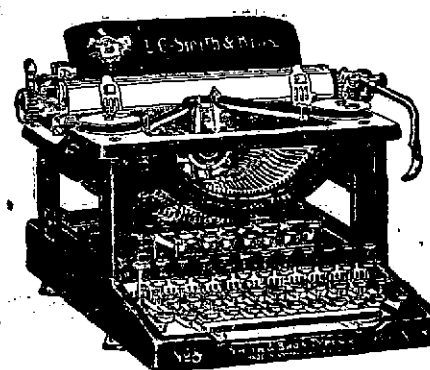

Consequently, whether the operator is striking the keys, shifting for the capitals, or returning the carriage, every operation is ball bearing.

What you would expect from such mechanical perfection is what actually happens—long life and ease of operation.

Louisville, Ky.  
May 16, 1924

Dear Mr. Brown:—  
I am here on my way to Mt. Vernon, Ky., for a dedication. Just a word to thank you and your splendid people for your big part in making the convention the great success that it was.

There are usually some dissatisfactions and some complications, especially from people who are hard to please, but I did not have a single complaint from anyone concerning anything. Mrs. Grindle and her committee handled the assignments the most satisfactorily I have ever seen it done. Talkington did the right thing all the time. Brother Cole and your singers sang so well that we will want to come to Rushville again.

Please thank everyone who had a part in the best convention I have ever seen in Indiana.  
Fraternally yours,

## NOT AFTER SECOND PLACE ON TICKET

Continued from Page One  
upon the man they desire to have second place on the national ticket. Whoever is decided upon will be agreeable to me. I am not personally interested in the matter."

Chairman Walsh and Ewing Emison, who was President Coolidge's manager in the Indiana primary campaign, were expected to hold a conference with the President this morning, the Washington dispatch in question said, to discuss the Indiana political situation. The dispatch continues:

Mr. Walsh also intends to urge the President to announce at an early date his decision on the question of appointing Judge A. B. Anderson of the Indiana Federal court to the vacancy on the United States Circuit Court of Appeals, sitting at Chicago.

"Judge Anderson is so generally indorsed that his ultimate appointment is considered as certain. Walsh would like to have all uncertainty ended by an early announcement of the promotion, even though Judge Anderson continues to hold his present place until the October term of court. However, he has no recommendation to make about a successor to Anderson. He will leave it to Senator Watson to make such a recommendation as he chooses. The senator never has indicated a choice."

The fact that the question of naming a successor to Judge Anderson in federal court, when Judge Anderson is advanced to the federal court of appeals in Chicago, holds interest locally because Judge Sparks of the local circuit court is mentioned very prominently as a successor to Judge Anderson.

Senator Watson is expected to leave Washington for Indianapolis Sunday. He will make the keynote address at the republican state convention.

HARDWARE

## What Makes Your Clothes Wear Out?

It isn't the actual wear and tear on your clothes that makes them wear out so easily. It is the dirt in the fabric that is constantly grinding and cutting into the cloth.

No suit or other article of wearing apparel can give satisfactory service when it is saturated with filth. Bring it in or let us call for it.
